

## Turkey Foot Long Rifles Range Rules - 2009

1. The TFL Range is open ½ hour after sunrise until ½ hour before sunset. This is not dawn to dusk; it is sunrise to sunset as published in the newspaper. An exception is Sundays when the range opens at 11:00 AM.
2. Members must open the gate and drive into the range to use it. No parking on the road and going through the fence.
3. Members must have their Membership Card with them while on the range, with the exception of a scheduled club event.
4. The TFL Range is for registered members only. Only two shooting guests, under the supervision of a member, shall be allowed on the range at any time – with the exception of a scheduled Club event.
5. Only Pre 1900 firearms or replicas, .22 caliber Rimfire firearms, shotguns, and approved SASS Cowboy Calibers are allowed to be used on the TFL Range.
6. Black Powder or a Black Powder Substitute in a proper granulation for your firearm may be used. Smokeless Powders are allowed when loaded to the equivalent of Black Powder loads.
7. Only Lead Projectiles, round ball or cast bullet, may be used.
8. TFL approved targets include Paper, Clay, Wood, or Metal Silhouettes.
9. Hearing and Eye Protection is MANDATORY on the firing line.
10. Maintain Muzzle Control – shoot only in the direction of the back stop; remember that we have neighbors in every direction.
11. No smoking in the loading and shooting area.
12. No alcohol may be consumed while participating in any shooting event.
13. Pick up your debris – targets, patches, shell casings, and trash.
