2008 General Shoot Information

- NEW this year, the .22 Silhouette and .22 Creedmoor Combo Shoot is scheduled for May 17, 18 at Eldora.
 - Improvements on the Big Bore Silhouette targets at the Prairie Fire Range in Ackley are planned. The rails will be lowered and a dirt bank will be placed behind the targets, plus a bigger dinger for the rams will be added.
 - The June and Sept. Cowboy shoots will be followed on the next day with a .22 Silhouette & Creed moor Shoot. Plan to stay for both at Eldora.
 - At the July 26, 27, Miller Mini Big Bore Shoot at Eldora, any rifle 30 cal. or larger with lead bullets may be used. Use several rifles if you wish. Mini means small targets with some difficulty thrown in. Bring your .22 rifles as you may have time for the creedmoor.
 - At the Spring Buffalo shoot, bring your .22 as the Creedmoor targets will be set up for practice at 267, 300, 333 yards.
 - The .22 Silhouette and .22 Creedmoor will have several divisions for different types of rifles.
 - NEW High Powered & Military Rifle Shoots at Prairie Fire Range will use paper targets at 100, 150, 225, 300, yards. You will shoot 4 positions, off hand, kneeling, sitting, & prone unless you are unable to. There will be three divisions, scoped high powered 243 or larger, scoped varmint calibers, and Military or old time rifles with open sights.
-
