How To find Us

Our shooting range is located in Evansdale, Iowa (just east of Waterloo). Take exit 68 off I-380/Hwy 20 and go north on Evansdale Drive (becomes Plaza Drive) for about 1 mile or less to Dubuque Rd. Turn left and go approximately 1/2 mile and turn right on Douglas Rd. Go approximately 1/3 mile and the entrance to the range is on the left just before the road makes a sharp curve to the right.

About Cowboy Action Shooting®

Take the thrill of competitive shooting, mix it with the fun of historical reenactment and role playing, then wrap it with the allure of the old west, and you

have Cowboy Action Shooting®.

We dress in pre –1900 clothing and shoot real bullets from original or replicas of the kind of guns used by cowboys in the late 1800's. The shooting is timed and scores are recorded to determine winners. But as much as the competition, we enjoy the friendships and just the fun of shooting.

Cowboy Action Shooting® is one of the fastest (if not the fastest) growing shooting sport in the world. It is well organized, safe, family oriented and is a good place to meet some really nice folks!

Come and give it a try. Visitors are always welcome!
