Howdy folks, Ranger here.

We had an absolute gorgeous day for a March warm up match.
11 Brave soles showed up for some fun in the sun and the snow.

The weather cooperated beautifully. It was sunny through the entire match with very little wind. The range was in great shape for a late winter day. Sandburr had the club house good and warm. There was coffee, hot chocolate and tea for those that wanted something to warm the innards.

Everyone pitched in and help setup as well as tear down the match.

We had one clean shooter. Barefoot Bill Barber. Congratulation on starting the year out right.

Top three shooters.....
1st place Boot Hill Brad
2nd place Ranger Mathias Fischels
3rd place Sandburr

Next match is April 3rd. Hope to see everyone there.

There are lots of projects planned for this year to upgrade the range as well as the club house. So be on the lookout for new developments and upcoming work days.

Ranger

Well, till we meet next.....

Keep your sights in life pointed down range, be deliberate in your actions and enjoy life to its fullest.
